Dear Ms. Desai:

Re: Alternate Submittal Date Request  
Feasibility Study Revisions  
Former Plainwell, Inc. Mill Property Operable Unit No. 7  
Allied Paper, Inc./Portage Creek/Kalamazoo River Superfund Site  
Allegan and Kalamazoo County

Conestoga-Rovers & Associates (CRA) has prepared this letter, on behalf of the Weyerhaeuser NR Company (Weyerhaeuser), to request an extension to the 30-day timeframe for submittal of revisions to the Feasibility Study (FS) Report for the former Plainwell, Inc. Mill Property Operable Unit No. 7 located in Plainwell, Michigan (Site). Comments on the FS Report were received by Weyerhaeuser from the United States Environmental Protection Agency (U.S. EPA) on April 11, 2014.

Due to scheduling conflicts, a conference call with U.S. EPA cannot be arranged until early May 2014 to discuss the comments; therefore, Weyerhaeuser is requesting a 30-day extension from the date of the conference call to allow adequate time to address U.S. EPA's comments.

Should you have any questions or require any additional information, please do not hesitate to contact us.

Yours truly,

CONESTOGA-ROVERS & ASSOCIATES
